RE: City owned land for sale at El Cajon Blvd. & Central Avenue, Kensington

Dear Honorable Mayor Faulconer,

The residents of City Heights, Kensington and Normal Heights have worked tirelessly over the past 35+ years to mitigate the impacts of State Route 15 on our communities. We enjoy the hard fought victories of Teralta Park, the existing sections of the Central Avenue Bikeway, and the University Avenue and El Cajon Blvd. transit plazas, and are anxiously awaiting the opening of the Centerline Bus Rapid Transit lanes.

These improvements are part of a comprehensive community held vision focused on mobility, housing, economic development, and preservation of neighborhood character. That vision has long included an understanding that excess land parcels in the SR 15 corridor would be restricted to uses that benefit the community in terms of affordable housing, transit oriented development, and neighborhood/commuter serving uses; such as, completion of the Central Avenue Bikeway and other multi-modal infrastructure to enhance mobility

The recent Notice of Pre-disposition of the City owned parcel on the northeast corner of El Cajon Blvd. and Central Avenue raises concern for numerous community stakeholders. SANDAG is in the process of advancing a plan for completion of the Central Avenue Bikeway, and various community organizations have been working with them to ensure bike/pedestrian safety and mobility. There is strong consensus that Central Avenue should revert to 2-way traffic and be cul-de-saced, just north of El Cajon Blvd, thus reducing the length of the crosswalk and eliminating cut-through traffic onto Central Avenue. This plan could impact the useable square footage of the parcel, and influence its best use.

We would like to see the sale of that parcel conditioned on accommodating a community supported final plan from SANDAG for the Central Avenue Bikeway, and integration of a transit/mobility supporting component on the site. Representatives of the signatories below would like to meet with you, or your representative, to formulate such a condition. The parcel is scheduled to be released for sale to the highest bidder on February 20, so time is of the essence.

We look forward to working with you on this important community issue.

Sincerely,

City Heights Community Development Corporation
